Table of Cases .......................................................................................................... xxvii  
Study Guide ........................................................................................................... xxxvii

**Unit I Overview: Forum Selection Issues** .......................................................... 1

**Chapter 1: Subject-Matter Jurisdiction** ............................................................. 5

Key Concepts ........................................................................................................... 5  
Introduction ........................................................................................................... 5

The Constitutional Structure of the Federal Courts ............................................... 7

The Constitution: Art. III ..................................................................................... 7

Federal Question Jurisdiction: Cases Arising Under Federal Law ...................... 12

Key Concepts ...................................................................................................... 12  
Introduction ....................................................................................................... 12

A. The Constitutional Grant of Federal Question Jurisdiction .......................... 13

B. The Congressional Grant of Federal Question Jurisdiction to the Lower Federal Courts ................................................................. 14

1. The Well-Pleaded Complaint Rule ....................................................... 15

   *Louisville & Nashville Railroad Co. v. Mottley* ........................................15

2. Federal Questions Appearing on the Face of a Well-Pleaded Complaint .................................................................................. 21

   *Gunn v. Minton* ................................................................................... 28

Diversity Jurisdiction ............................................................................................. 38

Key Concepts ...................................................................................................... 38

Introduction ....................................................................................................... 38

The Constitution: Art. III, § 2 ......................................................................... 38

A. The Constitutional Grant of Diversity Jurisdiction ..................................... 38

B. The Limited Congressional Grant of Diversity Jurisdiction ........................ 39

1. The Rule of Complete Diversity of Citizenship ..................................... 39

   *Mas v. Perry* .................................................................................. 41

   The Statute: 28 U.S.C. § 1332(c)(1) ...................................................... 45

   The Statute: 28 USC § 1332(a) .......................................................... 48

2. The Amount in Controversy Requirement ............................................. 50
### C. Judicially-Created Exceptions to Diversity Jurisdiction

1. Domestic Relations Matters
   - Page 53
2. Probate Matters
   - Page 54
3. Real Property Disputes
   - Page 54

### D. Congressional Exceptions to the General Diversity Rules

- Page 55

---

### Supplemental Jurisdiction

#### Key Concepts

- Page 55

#### Introduction

- Page 55

#### A. Pendent Claim Jurisdiction

- Page 56

#### B. Pendent Party Jurisdiction

- Page 58

#### C. Ancillary Jurisdiction

- Page 59

#### D. The Supplemental Jurisdiction General Rule:

1. **Section 1367(a) and (c)**
   - Page 61
   - The Statute: 28 U.S.C. § 1367(a) & (c)

2. **Section 1367(b)**
   - Page 64
   - The Statute: § 1367(b)
   - 1. The Section 1367(b) Bar
   - 2. The Section 1367(b) Bar and the Amount-in-Controversy Requirement

#### E. The Supplemental Jurisdiction Exception: Section 1367(b)

- Page 64

---

### Litigating Subject-Matter Jurisdiction

#### Key Concepts

- Page 69

#### Introduction

- Page 69

#### A. Litigating Subject-Matter Jurisdiction:

1. Objections and Waiver
   - Page 69

#### B. Litigating Subject-Matter Jurisdiction: The Choice to File in Federal Court

- Page 71

---

### Removal and Remand

#### Key Concepts

- Page 72

#### Introduction

- Page 72

#### A. Exceptions to Removal Where the Only Jurisdictional Basis Is Diversity

1. If Any Defendant Is a Citizen of the Forum State
   - Page 74
2. The One-Year Bar to Removal of Diversity Cases
   - Page 76

#### B. The Process of Removal and Remand

1. Removal
   - Page 76
2. Remand
   - Page 77
3. Severing and Remanding Specific Claims
   - Page 77

---

### The Jurisdiction of the Tribal Courts

- Page 78

Chapter 2: Due Process: Personal Jurisdiction, Notice, and Opportunity to Be Heard

Personal Jurisdiction

Key Concepts

Introduction

A. The Historic Basis for Personal Jurisdiction

B. Personal Jurisdiction and Due Process
   1. The Relevance of Due Process
   2. The Fundamental Requirements of Due Process

C. The Analytical Structure of Personal Jurisdiction
   1. The Forum’s Law
   2. Constitutionality

D. The Personal Jurisdiction Law of the Forum
   1. Consent
   2. Presence

E. The Constitutionality of the Assertion of Personal Jurisdiction
   1. Contemporary Due Process and International Shoe
   2. International Shoe and the Development of Long-Arm Statutes

World-Wide Volkswagen Corp. v. Woodson
The Statute: 735 ILCS 5/2–209

3. The Application and Evolution of International Shoe and
   Due Process

World-Wide Volkswagen Corp. v. Woodson
   1. The World-Wide Template
   2. The Application of the World-Wide Template

4. Flexibility in the Due Process Clause?

5. Purposeful Availment and Targeting?

6. Personal Jurisdiction and the Internet

7. In Rem and Quasi-in-Rem Jurisdiction

Personal Jurisdiction in Federal Court

Introduction

A. The Federal Rule

Rule 4(k)

Due Process: Notice

Key Concepts

Introduction

A. The Mechanics of Service of Process
   1. The Summons

Rule 4(a)(1)

2. Service

Rule 4(c)
B. The Proper Methods of Service of Process
Under Federal and State Rules

Introduction ............................................................................................. 138

1. Waiver ............................................................................................... 139
   Rule 4(d) ...........................................................................................139
2. Personal Service ................................................................................. 141
   Rule 4(e)(2)(A) ..................................................................................141
3. Abode Service .................................................................................... 141
   Rule 4(e)(2)(B) ..................................................................................141
4. Agent Service .....................................................................................143
   Rule 4(e)(2)(c) & 4(h) .......................................................................143
5. State Methods ....................................................................................145
   Rule 4(e)(1); 4(g) & 4(n) ...................................................................145

C. The Constitutionality of Methods of Notice ............................................. 151
   Mullane v. Central Hanover Bank & Trust Co. ....................................... 151

Due Process: Opportunity To Be Heard..........................................................157

Key Concepts .....................................................................................................157

Introduction .......................................................................................................157

A. The Right to a Hearing—At a Meaningful Time ..................................... 157

B. Exceptions to the Right to a Pre-Deprivation Hearing.............................. 160

C. The Nature of the Hearing ........................................................................163

Quick Summary ................................................................................................166

Chapter 3: Venue and Related Issues ................................................................169

Key Concepts .....................................................................................................169

Introduction .......................................................................................................169

A. Proper Venue in Federal Court ............................................................. 170
   The Statute: 28 U.S.C. § 1391(b) ........................................................ 170
1. A District Where Any Defendant Resides,
   if All Defendants Reside in That Same State ...................................... 171
   The Statute: 28 U.S.C. § 1391(c) & (d) ........................................... 173
2. A District Where the Claim Arose or the
   Property at Issue Is Located ......................................................... 176
3. Exceptional Venue Provisions ............................................................. 178

B. Transferring Venue ....................................................................................180
   The Statute: 28 U.S.C. § 1404(a) ........................................................ 181

C. Forum Non Conveniens ............................................................................188
   1. Public Factors ................................................................................ 189
   2. Private Factors ............................................................................. 189

D. Multidistrict Litigation Transfers ...............................................................190
   The Statute: 28 U.S.C. § 1407(a) ........................................................ 190

Quick Summary ................................................................................................192
Chapter 4: Applicable Law in Civil Litigation: The *Erie* Doctrine and Choice of Law

Key Concepts ........................................................................................................... 193
Introduction ............................................................................................................... 193

A. The Pre-*Erie* World ..................................................................................... 194
B. The Tompkins-*Erie* Railroad Litigation .................................................... 195
   *Erie Railroad Co. v. Tompkins* ..................................................................... 196
   1. The Wake of *Erie* .................................................................................. 201
   2. Equal Protection or Not ......................................................................... 202
   3. The *Reed* Concurrence ....................................................................... 203
   4. *Erie’s* Immediate Aftermath ................................................................ 203
C. Applying *Erie* .............................................................................................. 204
D. Federal Common Law .................................................................................... 206
   1. *York*—And Its Wake ........................................................................... 207
   2. The “Outcome Determinative” Test of *York*—And Its Progeny ........... 208
   3. Applying *Erie* in Light of *Hanna*: The Two-Track Approach .......... 214
E. Applying *Erie* Today ................................................................................... 228
F. “Horizontal” Choice of Law and *Erie*—Choosing Applicable
   State Law ....................................................................................................... 231
   1. The Mainstream Choice of Law Methodologies ................................... 233

Quick Summary ..................................................................................................... 241

Unit II Overview: Commencement of a Case ....................................................... 243
The Rulemaking Process and How to Read a Rule ............................................. 244
A. The Civil Rulemaking Process ................................................................. 244
B. How to Read a Federal Rule of Civil Procedure ....................................... 246

Chapter 5: Pre-Filing Investigation and Sanction Rules .................................... 247
Key Concepts ....................................................................................................... 247
Introduction .......................................................................................................... 247
A. Rule 11 and the Rulemaking Process ....................................................... 248
B. The Rule ...................................................................................................... 250
   1. Rule 11(a): Signature ........................................................................... 250
   2. Rule 11(b): Representations to the Court ............................................. 251
   3. Rule 11(c): Sanctions .......................................................................... 265
4. Rule 11(d): Inapplicability to Discovery .................................................. 271

Quick Summary ................................................................................................. 275

Chapter 6: Pleading .......................................................................................... 277

Introduction ........................................................................................................ 277

A. Rule 8(a): The Claim for Relief .................................................................... 278
   Rule 8(a) ........................................................................................................ 278
   Ashcroft v. Iqbal ......................................................................................... 286
B. Rule 9: Pleading Special Matters ................................................................. 308
   Rule 9(b) .................................................................................................... 308
C. Rule 8(b): Defenses; Admissions and Denials ........................................... 309
   Rule 8(b) .................................................................................................. 310
D. Rule 8(c): Affirmative Defenses ................................................................. 314
   Rule 8(c) .................................................................................................. 314
E. Rules 8(d) and 8(e): Pleading to Be Concise and Direct; Alternative Statements; Inconsistency and Construing Pleadings ............................................ 317
   Rule 8(d) & 8(e) ....................................................................................... 317

Quick Summary ................................................................................................. 324

Chapter 7: Responsive Pleadings & Pre-Trial Motions .................................... 325

Introduction ........................................................................................................ 325

A. Rule 12 ........................................................................................................ 326
   1. Rule 12(a): Time to Serve a Responsive Pleading .................................... 326
      Rule 12(a) ............................................................................................... 327
   2. Rule 12(b): How to Present Defenses .................................................... 331
      Rule 12(b) ............................................................................................... 331
   3. Rule 12(g): Joining Motions; Rule 12(h): Waiving and Preserving Certain Defenses .......................................................... 332
      Rule 12(g) & (h) .................................................................................... 333
   4. Rule 12(e): Motion for a More Definite Statement; Rule 12(f): Motion to Strike .......................................................... 337
      Rule 12(e) & 12(f) .................................................................................. 338
   5. Rule 12(c): Motion for Judgment on the Pleadings; Rule 12(d): Result of Presenting Matters Outside the Pleadings ............................................ 341
      Rule 12(c) & 12(d) ............................................................................... 341
B. Rule 55: Default Judgment ......................................................................... 343
   Rule 55 ........................................................................................................ 343
C. Rule 41: Voluntary and Involuntary Dismissal ........................................... 347
   Rule 41(a) & (b) ....................................................................................... 348

Quick Summary ................................................................................................. 355
Chapter 8: Basic Joinder

Key Concepts ............................................................................................................. 357
Introduction .................................................................................................................. 357
A. The Rules ............................................................................................................... 358
B. Joinder of Claims ................................................................................................. 359
   Rule 18(a) ............................................................................................................ 359
   1. Subject-Matter Jurisdiction ............................................................................. 359
C. Joinder of Parties as Plaintiffs .............................................................................. 361
   Rule 20(a)(1) ....................................................................................................... 361
   1. Subject-Matter Jurisdiction ............................................................................. 362
   2. Same Transaction or Occurrence .................................................................... 362
D. Joinder of Parties as Defendants .......................................................................... 363
   Rule 20(a)(2) ....................................................................................................... 363
   1. Subject-Matter Jurisdiction ............................................................................. 364
E. Counterclaims ....................................................................................................... 364
   Rule 13 ................................................................................................................. 364
   1. Compulsory Counterclaims .......................................................................... 366
   2. Permissive Counterclaims .............................................................................. 367
   3. Relief Sought in a Counterclaim ..................................................................... 368
F. Crossclaims .......................................................................................................... 368
   Rule 13(g) ............................................................................................................ 368
   1. Remember Rule 18. ..................................................................................... 370
G. Third-Party Practice ............................................................................................ 370
   Rule 14 ................................................................................................................ 370

Quick Summary ......................................................................................................... 379

Chapter 9: Complex Joinder and Class Actions ................................................... 381

Key Concepts ............................................................................................................. 381
Introduction .................................................................................................................. 381
A. Intervention .......................................................................................................... 382
   Rule 24 ................................................................................................................ 383
B. Indispensable Parties ............................................................................................ 388
   Rule 19(a)–(c) ...................................................................................................... 389
C. Interpleader .......................................................................................................... 394
   Rule 22 ................................................................................................................ 395
   The Statute: 28 U.S.C. § 2361 ............................................................................. 399
D. Multiparty, Multiforum Jurisdiction Act ............................................................... 400
E. Class Actions ......................................................................................................... 401
   1. The Constitutional Requirements for Class Actions ...................................... 403
      Hansberry v. Lee .............................................................................................. 407
2. Class Actions in Practice ................................................................. 410
   Rule 23(a) & (b) ............................................................................. 411
   Rule 23(c) .................................................................................. 415
   Rule 23(d) .................................................................................. 418
   Rule 23(e) .................................................................................. 419
   Rule 23(f) .................................................................................. 421
   The Statute: 28 U.S.C. 1407 ....................................................... 422

Quick Summary ................................................................................. 427

Chapter 10: Rule 15: Amended and Supplemental Pleadings .......... 429

Key Concepts .................................................................................. 429

Introduction .................................................................................... 429
   A. The Rule .................................................................................. 430
   B. Rule 15(a): Amendments Before Trial ..................................... 430
      Rule 15(a) ............................................................................... 430
      2. Rule 15(a)(2): Amendments by Party Consent or Court Approval ... 433
   C. Rule 15(b): Amendments During and After Trial ..................... 435
      Rule 15(b) ............................................................................... 436
   D. Rule 15(c): Relation Back of Amendments ................................ 438
      Rule 15(c)(1)(A) ..................................................................... 439
      1. Relation Back Under the Applicable Law’s Statute of Limitations ... 439
      2. Relation Back When Adding a Claim .................................... 439
      Rule 15(c)(1)(B) ..................................................................... 439
      3. Relation Back When Adding a Party ..................................... 441
         Rule 15(c)(1)(C) ................................................................. 441
   E. Rule 15(d): Supplemental Pleadings ......................................... 445
      Rule 15(d) ............................................................................... 445

Quick Summary ................................................................................. 449

Unit III Overview: Development of the Case .................................... 451

Chapter 11: Case Management ......................................................... 453

Key Concepts .................................................................................. 453

Introduction .................................................................................... 453
   A. Background and Policy ............................................................ 453
   B. Rule 16 and Pretrial Conferences and Orders ............................. 455
      Rule 16(a) ............................................................................... 455
      Rule 16(c) & (d) ..................................................................... 456
   C. Settlement and the Use of Alternative Dispute
Resolution Procedures................................................................. 460
Quick Summary.................................................................................. 466

Chapter 12: The Scope of Discovery .............................................. 467
Key Concepts ..................................................................................... 467
Introduction ....................................................................................... 467
A. The Rule....................................................................................... 469
B. Discovery Scope............................................................................ 469
   1. Rule 26(b): Discovery Scope and Limits .............................. 469
      Rule 26(b)(1) ......................................................................... 470
C. Limits on Discovery...................................................................... 472
   1. Trial Preparation Materials .................................................... 473
      Hickman v. Taylor.................................................................. 473
      Rule 26(b)(3) ....................................................................... 482
   2. Trial Preparation: Experts ...................................................... 485
   3. Protecting Privileged or Trial Preparation Materials .......... 487
D. Protective Orders.......................................................................... 490
   Rule 26(c) .................................................................................. 490
E. Conference of the Parties............................................................. 493
F. Timing and Sequence of Discovery ............................................. 494
G. Stipulations Modifying Discovery Procedures ....................... 496
H. Supplementing Discovery Responses .......................................... 496
I. Signing Disclosures and Discovery Requests, Responses and Objections .............................................. 497
Quick Summary.................................................................................. 504

Chapter 13: Discovery Techniques .................................................. 505
Key Concepts ..................................................................................... 505
Introduction ....................................................................................... 505
A. Initial Disclosures....................................................................... 507
B. Interrogatories.............................................................................. 510
   Rule 33 .................................................................................... 510
C. Requests to Inspect Documents and Things ............................ 518
   Rule 34 .................................................................................... 518
D. Requests for Admission............................................................... 530
   Rule 36 .................................................................................... 530
E. Depositions................................................................................... 535
   1. Procedures for Depositions: Rule 30 ................................. 536
      Rule 30 .............................................................................. 536
   2. Use of Depositions: Rule 32 .............................................. 547
      Depositions to Perpetuate Testimony: Rule 27 .................... 551
Chapter 17: Trial

Key Concepts
Introduction
A. The Path of Trial
B. Bifurcation as Trial Tactic
C. The Final Pretrial Conference and Final Pretrial Order
D. Jury Selection (Unless It Is a Bench Trial)
E. Professional Responsibility Concerns Surrounding Jury Empanelment
F. Opening Statements
G. Presenting the Case-in-Chief: Use of Witnesses and Introduction of Evidence
H. The Rules of Evidence and Battles over Objections and Admissibility
I. Use of Technology at Trial
J. Motions for Judgment as a Matter of Law (Rule 50)
Fed. R. Civ. P. 50(a)
K. Requests for Jury Instructions and the Verdict Form
L. Special Verdicts, General Verdicts, and Questions
M. Closing Arguments
N. Jury Instructions and Jury Deliberation
O. Jury Polling and Possible Challenges
P. From Verdict to Judgment and Beyond

Quick Summary

Chapter 18: Post-Trial Motions

Key Concepts
Introduction
A. Background and Policy
B. Available Post-Trial Motions
C. Renewed Motions for Judgment as a Matter of Law
Rule 50
D. Motions for a New Trial
Rule 59
E. Motions to Amend Findings
Rule 52(b)
F. Motions by the Victor
G. Recovery of Attorney's Fees
H. Motions to Reduce Award or Increase Award
I. Relief from Final Judgments and Orders
1. Clerical Errors
Rule 60(a)

...
2. Other Ground for Relief ................................................................. 719
   Rule 60(b) .................................................................................. 720
3. Timing of Rule 60 Motions .......................................................... 725
4. Setting Aside Defaults and Vacating Default Judgments ................. 726
Quick Summary............................................................................. 731

Chapter 19: Appeals ...................................................................... 733
Key Concepts .................................................................................. 733
Introduction .................................................................................... 733
   A. Appellate Review and Systems .................................................. 734
      1. The Unitary Appeal Rule ......................................................... 735
         The Statute: 28 U.S.C. § 1291 .................................................. 735
      2. Exceptions to the Final Judgment Rule ..................................... 736
         Rule 54(b) ............................................................................ 737
         Rule 23(f) ............................................................................ 739
      3. Appealability and Reviewability ............................................... 743
      4. Standards of Review ............................................................. 744
         Rule 52(a)(6) ........................................................................ 746
      5. Review on the Record ............................................................. 748
      6. Appellate Court Jurisdiction .................................................... 749
      7. Effect of Appeal on Trial Court Jurisdiction ............................... 751
      8. Importance of Rules............................................................... 752
      9. Briefing and Argument .......................................................... 753
     10. Decision and Mandate ........................................................... 753
     11. Rehearing and Further Review ................................................. 754
Quick Summary................................................................................ 756

Chapter 20: Remedies, Judgments, and Preclusion ......................... 757
Remedies & Judgments ................................................................. 757
Key Concepts .................................................................................. 757
Introduction .................................................................................... 757
   A. Types of Remedies .................................................................... 758
      1. A Word About Remedies ......................................................... 758
      2. Enforcing Injunctions .............................................................. 761
   B. The Law and Practice of Preliminary Injunctions .......................... 763
      Rule 65(b) .............................................................................. 763
   C. Declaratory Relief and Injunctions ............................................. 766
      Rule 57 ..................................................................................... 766
   D. Judgments and Collection ........................................................ 770
      1. Collecting Judgments .............................................................. 770
      2. Types of Collection Actions ................................................... 771
Preclusion: *Res Judicata* and Collateral Estoppel .......................................................... 773

Key Concepts .................................................................................................................. 773

Introduction ..................................................................................................................... 773

1. The Concept of Claim Preclusion (or *Res Judicata*) .............................................. 773
2. The Elements of Claim Preclusion ............................................................................ 774
3. The Concept of Issue Preclusion (or Collateral Estoppel) ...................................... 775
4. The Elements of Issue Preclusion ............................................................................ 775
5. Relatedness: The Concept of a “Series” and the “Same Transaction or Occurrence” ................................................................................................................................. 776
6. Preclusion: Sword or Shield? .................................................................................... 777
7. The Opportunity—and the Problem—of Virtual Representation ............................. 777

Quick Summary .............................................................................................................. 795

An Overview of Civil Litigation and Dispute Resolution .............................................. 797

A. The Study of Civil Procedure ..................................................................................... 797
B. Procedural Rules and the Rulemaking Process ........................................................ 798
C. The Hierarchy of Construing the Federal Rules ....................................................... 799
D. Federal Procedural Statutes ....................................................................................... 801
E. The Criminal-Civil Difference .................................................................................. 802
F. Burdens of Proof and Standards of Proof ................................................................. 802
G. Disparate Positions, Disparate Resources, and Their Impact on Litigation .......... 804
   Rule 1 ......................................................................................................................... 805
H. Assessing the Case and Mapping Out a Strategy ..................................................... 806
I. Stages of Dispute Resolution and the Litigation Process ......................................... 808
J. Litigation Planning—At the Beginning, Consider the End ....................................... 810
   1. Determining Who to Sue ..................................................................................... 811
   2. Determining Where to Sue ................................................................................ 811
   3. Judge vs. Jury ..................................................................................................... 813
   4. Considerations of Applicable Law ..................................................................... 813
   5. Deciding What Claims to Bring ........................................................................ 813
   6. Drafting the Complaint ..................................................................................... 814
   7. Crafting Disclosures .......................................................................................... 814
   8. Seeking Discovery .............................................................................................. 814
   9. The Potential Utility of Pretrial Motions ......................................................... 815
  10. Assembling the Legal Team ............................................................................... 815
  11. Litigation as a Subset of Civil Dispute Resolution ............................................... 816

A Short List of Useful Resources for Learning and Researching Civil Procedure .............. 821

Appendix: United States Judicial Circuits Map ................................................................. 823
